2nd Annual Crime Prevention Brunch

PARTNERSHIPS & COLLABORATIONS

CRAM believes that *“Empowering Ex-Offenders...Promotes a Safer Community.”* On Saturday, October 9, 2010 we will be holding the Second Annual Crime Prevention Brunch. The objective of the Crime Prevention Brunch is to raise awareness about CRAM’s services and benefits, update the community on our successes, and identify partnerships and collaborations.

Our theme this year is *“Partnerships and Collaborations”*. We are inviting you to join other businesses, organizations and community groups by partnering with CRAM and enabling us to continue providing much needed services. There are several unique opportunities to support a great cause and be advantageous for you. An example is, as a corporate financial sponsor of the Crime Prevention Brunch, your business will reach a growing market area while demonstrating your support of CRAM and the future of our community.

The Crime Prevention Brunch relies on the support of our local corporate sponsors and organizations to help make this event a success. To confirm your participation, please complete the attached Corporate Sponsorship Form and return it to CRAM’s administrative office. We request that you please submit your information and support by September 18, 2010.
